

Wooroolin Warbler

TERM 2 ● ISSUE 1 ● 21 April 2021

Yesterday I had the pleasure of accompanying Year 3-6 students to Cross Country at Tingoora. I would like to congratulate all students who participated in their events, it was great to see a high level of participation and students supporting and cheering another on. The majority of students in attendance exhibited positive behaviour that reflected school expectations. Special mention goes to Ruby, Shari and Xarraleigh who all placed in their events. The girls will now await notification regarding their times and possible attendance at the next level of competition. Thanks go to Jayden's dad, Jason, for providing us with assistance to put up and take down our shade shelter.

Facilities:

The P-1 room had work done over the holiday break to rectify the roof. We should no longer experience a leaky roof J. Additionally, the school house had upgrades and work completed at end of term and across the holiday period. Thanks also go to James from L&J Tree Lopping Services and Brad Weller for volunteering their time to remove some larger limbs and trees that required some attention in the school grounds.

School photos:

These were taken today and further advice will be provided by the photographer with regards to the process for ordering and the cost of purchase. I will keep you posted.

Uniforms:

I'd like to remind parents that our school uniform includes the school shirt, navy or royal blue shorts, black joggers and navy socks. As we head in to the cooler months and students require a jumper/jacket and track pants please bear in mind that these should also be royal blue or navy.

Term 2 Curriculum:

Staff and students have had a busy start to term with cross country on Tuesday and school photos today. I will provide an overview of the Term 2 curriculum in the next Warbler.

South Burnett Basketball:

Congratulations to Monique for her selection and participation as a representative for the South Burnett basketball team. Monique has been away for the last two days competing at the Wide Bay trials and we are keen to hear all about this on her return.
