

Wooroolin State School

MEMBERSHIP

An important message for all parents:

The Legislative enactment of the Education Act (1989) and the Education Regulation (1989) in Queensland requires that a Register of membership of the association be maintained.

This is the IMPORTANT ASPECT of the Education Act.

Only persons who are registered members of the P & C Association can be covered / protected while working at the school in any capacity.

In effect this means -

- that helpers in the Tuckshop need to be on the register of the P & C.
- parents who attend any of the meetings at the school, or who assist in any duties for the teachers or with the teachers in classrooms, excursions etc. need to be registered.
- a parent can not become an office bearer of any committee without first becoming a registered P & C member.
- unless a parent attending a meeting of the P & C or any of its subcommittees is on the register of the P & C that person has no voting right for any of the decisions made or taken.
- all helpers at Working Bees or Ticket Sellers etc. will require to be registered P & C members.
